## blachere shopping center

Notre partenariat avec KD decoration fait de nous aujourd'hui un interlocuteur incontournable de la décoration de Noël dans les centres commerciaux en Europe.

Nous sommes capables d'assurer à nous seuls l'intégralité des lieux : façades, grands halls, vitrines, attractions centrales, passages, couloirs... en lumière, ou en décorations animées par des automates.

*Our partnership with KD Decoratives makes us a key company in shopping center decoration in Europe. As the manufacturer, we can offer bespoke displays for facades, great halls, windows, grottos, alleys and corridors, with animated decorations (animatronics) or lights.*
